

I keep having
actually mean
unpleasant
moments to realize
all this time.

I will be
happy.

I will be
happy.

Hello?

Are you there?

Hello, hello?

Sure!

Can you buy some groceries for me?

What about everyone else?

Please!

Uhh.
I have a lot
of things
I want to
tell you

It's like... like... nothing's really...

LONG...

It's like the whole world's...
when I return home...

I'm busy, you know?

I know!

Yes!

Sweet! Where are you going to at this time?
What about my friend?

Sorry!

It's all...
somehow...

That's fine, right?

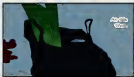

She's not
pleasing
